

2023-2024 Committee Members and Invitees:

FCS Instructor: Justin Curry

Administrator: Eddie Creech

Student: Bradley Brock

Teacher: Lauren Shoemaker

Business Representative: Clark Bailey

Industry Representative: Scottie Brown

Meeting was held on October 11th, 2023 at Harlan County High School. All members present were welcomed to the meeting and thanked for their willingness to participate.

Topics of Discussion:

- Some membership fees were still outstanding and needed to be submitted.
- Perkins funds were discussed and explained. In addition, it was also explained that these funds help fund other CTE programs within the school in addition to our FCA organization.
- The shift to a 7 period class day that started this year at the high school and the challenges it presents in being able to fully use the kitchen for culinary activities.
- The inability to use the industrial section of our classroom for food prep activities. The ability to secure use of that room in the future would greatly benefit students in the program.
- Opportunities to raise money at home football games to raise money for the program.
- The addition of 14 new members into the FCCLA program
- The importance of improving test scores and passing percentages on the EOP
- One of the sinks in the kitchen area that is in disrepair. It has been reported and not yet repaired by maintenance staff.
- A faulty gasket that is causing freezer burn in one of the industrial freezer units.
- The floor was open for any any additional questions, comments or concerns.
- Meeting was closed. Present members were thanked for attending.
