

# COLONELS NOW

## LOOKS LIKE YOU'RE THE FIRST TO ARRIVE...

Become a pro at college before most students even get started. Through the Colonels Now program, you can complete two general education classes in just six weeks during the summer before your Freshmen year begins.

### BUILD ACADEMIC SKILLS

With fewer students on campus, professors and support staff can focus more on you! The Student Success Center will also provide workshops in:

- Time Management
- Reading Comprehension
- Study Skills
- Math Anxiety
- Test Anxiety
- Choosing a Major

### GRADUATE EARLY

Knock out General Education courses early and move on to the coursework for your major, thereby shortening the time it takes you to graduate.

### EXPERIENCE CAMPUS LIFE

Get a preview of student life. Colonels Now students are invited to move into a residence hall and participate in a meal plan. You'll grow comfortable on campus and gain a feeling of independence before other freshmen get started.
